

PRESIDENTIAL SEARCH COMMITTEE ORGANIZES

A 21-member committee has been established to search for a successor to President George W. Angell, who announced last month that he will retire August 31 of this year.

The committee, chaired by Dr. E. Yale Clarke, chairman of the College Council, is charged with the responsibility of recruiting and screening candidates and recommending qualified presidential applicants to the College Council. The Council, in turn, will select the one or more applicants it feels to be most qualified and recommend that person(s) to the Chancellor and State University Trustees for final approval.

At its first meeting on Tuesday, a majority of the committee agreed that every effort should be made to select a new president prior to September 1. Also, the committee agreed that the Faculty Senate's standing committee on faculty affairs would be given the opportunity to interview candidates as they come to campus.

The following persons, representing the College Council, faculty, administration, student and alumni bodies, are members of the search committee:

College Council — Dr. Clarke (chairman), Robert T. Booth (vice chairman), Mrs. Judith Duken, Franklin Forbes (Council member Wayne Byrne will substitute for Mr. Forbes during a vacation period);

Faculty (chosen by the executive committee of the Faculty Senate) — Dr. James Dawson, Dr. Melvin Donaho, Dr. Ralph Grover, Dr. John L. Myers, Dr. Mary Anne Poston;

Students — Joseph Quartuccio, Miss Bennie Riley, Robert Rodriguez;

Alumni — Arnold Amell, John Longware;

Vice presidents — Willard Flynt, Bernard Seawell;

Deans — Dr. Hilton Heming, Dr. George Pasti, Dr. Harold Perkins;

Assistants to the president — Mrs. Olive Bradley, Donald Garrant.

Applicants for the position of president of the College have been solicited through advertisements in *The New York Times*, *The Chronicle of Higher Education*, *The Spokeswoman*, *The Afro-American* (Boston/New England, Washington and Los Angeles editions), and through letters to the presidents of each unit of the State University. Applications for the position will be accepted through February 21.

UNIVERSITY RESEARCH AWARDS ANNOUNCED

The University Awards Committee of the State University Research Foundation has granted research awards to 15 members of the Plattsburgh State faculty. Research awards applications from nine other Plattsburgh faculty members were classified by the committee as "supportable but not fundable," due only to insufficient funds.

The faculty members receiving awards, their departments, grants and research projects are: *George Abbe*, English, \$1,440 for an autobiography, *A Madness of Compassion*; *Dr. Edgar Barton*, art, \$234 for an experimental use of silver inlay in wood sculpture; *Dr. Gary Brannigan*, psychology, \$1,440 for research on cognitive styles in children's problem solving; *Dr. William Graziadei*, biological sciences, \$1,440 for research on interferon antiviral effect: in vitro studies and synthesis; *Dr. Charles Harris*, biological sciences, \$1,440 for research on properties of escape-command neurons of the cockroach; *Dr. Hiroshi Itoh*, political sciences, \$1,264 for a study of the Japanese Supreme Court; *Dr. Kenneth Loach*, chemistry, \$1,440 for application of a topical code for chemical structure; *Dr. Nicholas Mammano*, chemistry, \$1,264 for differential thermal analysis of metal-amonia solution; *Dr. James Mapstone*, sociology, \$1,440 for a study entitled *Return of the Native?: Internal Migration in Rural Areas*; *Dr. Gordon Pollard*, sociology/anthropology, \$1,440 for development of ecological research: pre-history in Argentina; *Dr. John Riley*, mathematics, \$1,264 for a study of maximal orders over regular local rings; *Dr. Richard Robbins*, sociology/anthropology, \$1,264 for a study of social change in a maritime community; *Dr. Sitaram Shastry*, physics, \$1,440 for directional correlation measurements in GA69 and GD153; *Dr. Stuart Voss*, history, \$712 for Porfiriato in Northwest Mexico — preparation for revolution; *Dr. Ann Zielinski*, art, \$1,206 for a study of claustral design and decoration in Castile.

The faculty members whose research was supportable but not fundable, their departments and research are: *Dr. Young Jang*, economics, pricing strategies of an ignorant monopolist — a case study; *Dr. Roderick Logan*, history, partitioning the Canada-United States continental shelves; *Dr. Cornell Reinhart*, history, populism: a study in ideology and social strains; *Dr. Daniel Lee*, biological sciences, energy linked functions in plant mitochondria; *Dr. John Middleton*, home economics, comparisons of temperments in divorced and present spouses; *Dr. Philip DeVita*, sociology/anthropology, language, cognition and behavior in Eastern Polynesia; *Dr. Herman Doh*, English, identification of F1 compositors: typographic habits; *Dr. Roy Malpass*, behavioral sciences, scaling faces for recognizability; *Dr. John Tomlin*, sociology/anthropology, citizen involvement in corrections: cross cultural studies.

DRS. DONAHO AND DAWSON ADDED TO EXECUTIVE STAFF

Dr. Melvin Donaho, chairman of the Faculty Senate, and Dr. James Dawson, chairman of the Senate's standing committee on faculty affairs, have been invited to attend meetings of the President's Executive Staff. Both have accepted.

The Executive Staff comprises the College's vice presidents, deans, assistants to the president and associate deans of students, and the group meets with the President each month through the academic year to share insights and advice on potential problems that could affect the College. The Executive Staff was formed, according to minutes of its meetings, "to develop a unified group with a high level of mutual confidence, respect and understanding so that each person can work more effectively in his own area."

CENTURY CLUB MEMBERSHIP INCREASES BY 43

The Plattsburgh College Foundation's Century Club has reported a 41 per cent increase in its membership for 1973 as compared with 1972. Also during 1973, the total of Century Club funds disbursed in student scholarships, as well as the total number of students assisted by Century Club Scholarship funds, increased by more than 300 per cent.

Foundation Executive Director Don Garrant has reported that Century Club membership increased from 104 members in 1972 to 147 members in 1973, and that the 1973 figure includes 51 persons who joined the group for the first time. The Century Club provides special recognition for donors of \$100 or more to Foundation programs.

During 1973, Garrant's report continues, Century Club funds provided \$14,745 in financial assistance to 65 students. Nineteen students received a total of \$4,330 in Century Club assistance during 1972.

"In almost every case," said Garrant, "each of the 65 students would possibly not be in school today had it not been for a Century Club grant."

SATURDAY SWIM LESSONS BEGIN JAN. 26

Saturday morning swimming lessons for Campus School children and children of faculty and staff members will begin January 26. Registration for the 12-week course will close January 21, and registration blanks are available at the Memorial Hall main office. Registration fees are \$6.00 per child, and children must be at least six years old and 48 inches tall to enroll.

LITERARY JOURNAL DISTRIBUTION DELAYED

Distribution of the College literary journal has been delayed by one week. **The Z. Platt Almanack** will be available in Room 1-B of Macdonough Hall, from 7:00 until 10:00 nightly, January 21-25. The journal will be free for S.A. members and \$1.00 for all others.

A FREEZE ON HIRING

Governor Carey's freeze on personnel vacancies in New York State's governmental and public service agencies will prevent the filling of vacancies in faculty and staff positions until at least April 1. The move, part of the Governor's plan to bring added economies to State government, eliminates new and replacement hiring except in emergency situations. In addition to the freeze on positions, persons in supervisory positions at the College are being instructed to keep expenditures for overtime in their departments to the minimum.

Guidelines for restrictions on expenditures for the remainder of this fiscal year will soon be issued to all campuses from the Central Office of the State University. College officials have no information now about the Governor's 1975-76 budget. As soon as that information is received, President Burke plans to communicate it directly to the faculty and staff.

DR. BURKE CANCELS INAUGURATION

President Joseph Burke has cancelled planning for the spring presidential inaugural. In a letter to Faculty Senate Chairman James Dawson, Dr. Burke wrote: "Given the call for austerity in Governor Carey's inaugural address, I feel that it would be unwise to incur the expenses that would necessarily be involved in a presidential inauguration. For this reason, I have decided that no inauguration should be held. Please convey to the Committee created by the Senate my appreciation for the planning they have done for the inaugural and my apologies for cancelling the inaugural at this late date."

FACULTY SENATE APPOINTS COMMITTEES ON BYLAW AMENDMENT; VARIABLE FACULTY-STUDENT RATIOS

At its December 10 meeting, the Faculty Senate authorized its Executive Committee to appoint two ad hoc committees — one charged with studying the procedures for amending Faculty Bylaws and the other charged with studying the implications of assigning variable faculty-student ratios.

Named to the committee studying procedures for amending Faculty Bylaws were Dr. Howard Miller (chairman), J. Derek Allan and Dr. George Dicks. The three-member committee is expected to formulate its recommendations in time for consideration at the Senate's February 4 meeting.

Named to the committee studying the implications of variable faculty-student ratios were Albert Hassler, Dr. Edward Heuston, Miss Clara Johnson, Dr. Roy Malpass, Dr. Nicholas Mammano, and Dr. Esther Westendorf. That committee is expected to complete its deliberations prior to the end of the academic year.

'CONVERSATION WITH THE PRESIDENT' SCHEDULED WEDNESDAY

The next informal "Conversation with the President" will be held Wednesday afternoon (January 29) beginning at 4:00 in the Cardinal Lounge of the College Center. President Burke invites interested persons to join him for conversation on any topic.

FOUNDATION RECEIPTS INCREASE BY ONE-THIRD

Gifts to the Plattsburgh College Foundation during 1974 totaled nearly one-third more than they did in 1973, according to the Foundation's recent gift income report. During 1974, says the report, the Foundation received total gifts of \$62,406, or \$15,576 more than was received during the previous year, and \$7,400 more than the organization's goal for 1974. The total does not include \$16,000 which was contributed to a George and Ruth Angell Endowment Fund, established with the Foundation last summer at a testimonial dinner for the Angells.

From its receipts and from interest on its investments, the Foundation during 1974 provide 241 scholarships totaling \$54,788 to Plattsburgh State students, an increase of nearly \$8,000 more than scholarships given in 1973.

More than 15 per cent of the total contributions to the Foundation in 1974 came from members of the organization's Century Club comprising donors of \$100 or more to Foundation programs. Faculty members who gave to the Century Club during 1974 were J. Derek Allan, Mrs. Olive Bradley, Dr. Joseph Burke, Dr. Philip Clarkson, Vincent Delio, Dr. Herman Doh, Willard Flynt, Donald Garrant, Mrs. Nilah Hausdorf, Dr. Hilton Heming, Malcolm Lavery, Dr. Ernest Rangazas, Bernard J. Seawell and Mrs. Eileen Wardner.

CREDIT UNION DECLARES SIX PER CENT DIVIDEND

The board of directors of the SUNY-Plattsburgh Federal Credit Union has declared a six per cent dividend on accounts for the period from July 1 through December 31, 1974. Interest for the six-month period ending December 31, 1974, will be posted to accounts this month, and updated statements will be mailed to shareholders in the credit union. Dividends for the second half of 1974 increased a full one per cent over the five per cent dividend declared for the first half of the year. The credit union, with slightly more than 300 members, has steadily increased its dividend percentage since its inception in 1972.

COUNSELING SERVICES ACCREDITED

The International Association of Counseling Services (IACS) has reviewed and accredited counseling services at Plattsburgh State. Plattsburgh thus becomes one of a select few SUNY colleges with accredited counseling services. The self-evaluation report upon which accreditation hinges was approximately two years in the writing under the direction of Dr. Lee H. Alley, director of counseling services, and Thomas Corigliano, who acted as director of counseling service during Alley's sabbatic leave last year.

COLLEGE CENTER SPECIAL DINING ROOM REOPENS

The special dining room on the first floor of the College Center — opened for a brief period during the first semester — has reopened for the second semester and offers an a la carte luncheon menu, served by waitresses. The dining room is open weekdays from 11:00 a.m. until 1:30 p.m., and lunches are served on a cash basis, with no meal tickets honored. As reported in the December 12 issue of *Cardinal Points*, the College Center Advisory Committee recommended the present format for lunches in the special dining room to provide a quiet and out-of-the-ordinary dining atmosphere for students and faculty who were willing to pay for that type of service.

COLLEGE OFFERS COURSES FOR CIVIL SERVICE EMPLOYEES

As it has in the past, the College this semester is offering employee benefit training for civil service employees through the personnel department and the Faculty of Continuing Education. Approximately thirty employees are enrolled this semester, free of charge, in courses on the Psychology of Interpersonal Relations (taught by Dr. Thomas Collins) and the Fundamentals of Supervision (taught by Dr. Melvin Donaho). The courses carry two hours of academic credit each.

RURAL DEVELOPMENT WORKSHOP TONIGHT AT MINER CENTER

A rural development workshop presenting ideas and information aimed at improving the quality of life in rural Clinton County is scheduled tonight (January 23) from 6:30 until 9:30 in the main auditorium at Miner Center in Chazy. Sponsored by the Clinton County Development Program, the Clinton County Extension Service and Miner Institute for Man and His Environment, the workshop will include presentations describing three on-going rural development projects in the County. Any interested person is invited to attend.

DEMPSEY ELECTED CHAMBER OF COMMERCE PRESIDENT

William M. Dempsey, assistant to the president for analytical studies and long-range planning, was elected President of the Plattsburgh and Clinton County Chamber of Commerce at its annual election dinner December 12. He will serve a one-year term as president.

HOME ATHLETIC SCHEDULE FEATURES HOCKEY, SWIMMING

This week's home athletic schedule includes two contests, both to be played on Saturday. At 2:00 p.m. the swim team will compete against McGill and Queens at the Memorial Hall Pool. Admission is free. At 7:30 p.m. the hockey team will meet Canton Tech. at the Field House. Admission to the hockey game will be free for S.A. members, \$.50 for non-S.A. students and \$1.00 for adults.

SWIM LESSONS FOR CHILDREN OF FACULTY AND STAFF BEGIN FEBRUARY 1

A twelve-week series of swim lessons for campus school children and children of faculty and staff members will begin February 1. Registration forms are available from the office in the Memorial Hall Gymnasium and should be submitted not later than Monday (January 27). Enrollment is open to children who are at least six years of age and 48 inches tall.

KARATE CLUB SCHEDULES ORGANIZATIONAL MEETING

The campus karate club will hold its organizational meeting Monday (January 27) beginning at 4:00 p.m. in Room 302 of Memorial Hall Gymnasium. Any interested student is invited to attend.

PROPOSED STATE BUDGET INCLUDES \$308,000 NET INCREASE FOR COLLEGE

The State Budget proposed to the Legislature Tuesday by Gov. Wilson includes an operating budget of \$12,327,000 for Plattsburgh State's 1974-75 fiscal year. The figure proposed for the College represents a net increase of \$308,000 over the current operating budget, according to Vice President for Finance and Management Bernard J. Seawell. The proposed net increase includes \$222,000 for adjustment of 1973-74 salary and wages and \$86,000 for supplies and equipment. Much of the money budgeted for increases in supplies and equipment would be consumed by inflation, Seawell explained.

The proposed State budget would eliminate nine positions (four faculty and five staff) included in the College's budget request to the Governor. Also cut from the College's budget request were \$20,000 in summer session temporary service allocations and \$10,000 in College contributions to the Federal Work/Study Program.

"We still need time to reconcile these adjustments in our operating budget," said Seawell, "but it appears now that the State's proposed allocation to the College is not entirely unreasonable. This budget means that we must work together in making adjustments which are equitable and which ensure the quality of the academic program. Of course," he added, "this proposed budget is subject to approval by the Legislature."

PENDING SUNY DECISION ON CAMPUS SCHOOLS AFFECTS STATE BUDGET

For several years the role of campus schools in the State University system has been under study. A decision on the future of campus schools is expected during the 1974-75 fiscal year, and to facilitate implementation of that decision the proposed fiscal 1974-75 funds for campus schools have been transferred from individual campus budgets and placed in a lump sum to be administered by the State University.

Gov. Wilson's budget proposal to the State Legislature Tuesday recommended a reduction of \$390,000 and 56 positions in campus schools throughout the SUNY system "because of the declining enrollments at the campus schools attributable to the phasing out of grades at Buffalo and Geneseo and enrollment shortfalls in some other schools."

"The full impact of the Governor's decision on campus schools will not be known," said resident Angell, "until campus representatives have had the opportunity to meet with representatives of the Chancellor's office and to discuss both the current situation and long-range plans."

FACULTY SENATE ACTS ON GRADUATE CREDIT AND ACADEMIC POLICIES

At its regular meeting Tuesday, the Faculty Senate passed resolutions defining residence credit for graduate-level courses and establishing academic policies for graduate students. The resolutions are subject to approval by the President.

The Senate also passed three motions pertaining to the search committee seeking a new president for the College. The first Senate motion endorses the Senate executive committee's appointments to the search committee; the second motion asks that two more members be appointed to the search committee, including one additional representative from the Faculty of Humanities and one representative of the non-teaching professional staff; the third motion reaffirms the role of the Senate's standing committee on faculty affairs in the search for and selection of a new president.

FOUNDATION AID TO STUDENTS TOTALS \$82,000 IN THREE YEARS

The Plattsburgh College Foundation, during the three years in which Fred P. Merrihew has served as its president, has awarded a total of \$82,317.90 in financial aid to Plattsburgh State students. A recent Foundation report on student aid noted that 352 students have received financial aid during that three-year period, January 1971 through December 1973.

SYRACUSE SYMPHONY HERE FRIDAY AND SATURDAY

The Syracuse Symphony Orchestra will perform three concerts and three lecture-demonstrations during a two-day residency at the College Friday and Saturday (January 25 and 26). The orchestra's appearance in Plattsburgh is co-sponsored by the Student Association Artists Series and the Plattsburgh Council on the Arts. A complete schedule of concerts and lecture-demonstrations is included in *This Week's Calendar*.

BIRTHDAY CAKE PROGRAM NETS \$714 IN SCHOLARSHIP FUNDS

The Lake Champlain chapter of the Plattsburgh Alumni Association sold 357 birthday cakes to parents of Plattsburgh State students during 1973 and has contributed the net proceeds — \$714 — to scholarships and grants for students in financial need. The cakes are purchased by parents of students for \$4.00 and \$6.00 each, and delivered on campus by local alumni. The cost of administering the program is assumed by the Alumni Association.

A STATEMENT OF APPRECIATION FROM THE COOPERATIVE EXTENSION

In a recent letter of thanks to Dr. Nicholas F. Troisi, Dean of the College's Faculty of General and Continuing Education, Cooperative Extension Agent Timothy Murphy expressed special appreciation for Plattsburgh State students. Murphy, who conducted on the Plattsburgh campus a local government conference for teenagers, said, "Everyone was impressed by the appearance, conduct and acceptance of our group by the student body. They were interested in why we were there, how long, what we were doing, etc. In essence, we felt as though we were being treated as guests on their campus. It was a good feeling and genuinely appreciated."

MYERS GALLERY EXHIBITING ORIGINAL PRINTS

On display in the Myers Fine Arts Gallery through February 1 is an exhibition of original prints depicting man's relationship to the machine age. The show includes woodcuts, engravings, lithographs and etchings from the 1930's and '40's. The Gallery is open weekdays from 9:00 a.m. until 5:00 p.m.

ANTHROPOLOGICAL FILM SERIES PLANNED

During the spring semester the department of sociology/anthropology will sponsor a series of films dealing with aspects of man and his culture. The films are described as being "of general interest and representing some of the finest ethnographic films ever made." Each showing will be accompanied by a brief commentary by a member of the department. The next film in the series, *Nanook of the North*, is scheduled February 13 beginning at 8:00 p.m. in Room 206 of the Communications Lecture Hall. Admission is free of charge.

HOCKEY AND BASKETBALL TEAMS AT HOME THIS WEEK

The College hockey club will meet Elmira College Friday night and the Norwich University "B" team Saturday. Both games are scheduled to begin at 7:30 p.m. in the Field House. Wednesday evening the varsity basketball team will meet Clarkson College at 8:00 in the Field House in an attempt to avenge its 83-67 loss to Clarkson January 19. Admission to hockey and basketball contests is \$1.00 for adults, \$.50 for students and free for members of the Student Association.

COLLEGE FUEL USE DOWN NEARLY 23%

College-wide efforts to conserve energy resulted in a 22.6 per cent saving of fuel oil and a 16.5 per cent saving of electrical energy during the months of December and January in comparison with figures of one year ago. According to a report made Monday to the campus task force on energy conservation, 516,000 gallons of fuel oil were used in heating College buildings during the months of December 1973 and January 1974. One year ago the College burned 667,000 gallons of oil in heating its buildings for a comparable time period. Oil usage was also below the 534,000-gallon quota imposed on the College for the December and January period by its supplier.

Several factors have contributed to the success of the College's energy conservation program. Heating levels have been reduced to 68 degrees in occupied College buildings and to 55 degrees in unoccupied buildings such as Harrington Hall, Saranac Dining Hall and the College Center. Temperature levels were also reduced in College residence halls during the winter recess, and that reduction resulted in average savings of approximately 2,000 gallons of oil per day in comparison with last year. The College has also had some natural assistance in reducing its fuel oil consumption. Comparative figures show that the current winter, to date, is approximately 10 per cent milder than the winter of one year ago.

By reducing lighting levels in some areas and by careful monitoring of the use of electricity, the College has also realized a 16.5 per cent reduction in its electrical energy consumption. In many offices in the Kehoe Administration Building, up to 50 per cent of the lighting fixtures have been disconnected.

THIRTEEN NAMED TO ADVISORY COMMITTEE ON AFFIRMATIVE ACTION

Thirteen persons have accepted invitations to serve on a committee which will advise President Angell on campus programs for Affirmative Action and Equal Employment Opportunity. The committee will receive its charge from Dr. Angell at its organizational meeting February 6. Chaired by Mrs. Olive Bradley, Secretary of the College, the committee includes Afro-American Studies Coordinator Charles Herod, Project New City Director Thomas Buckingham, Student Activities Coordinator Jaimie Trautman, Maintenance Supervisor Gerald Dominy, teaching faculty John L. Myers and Patricia Higgins, senior stenographer Sue Conine, Vice Presidents Burke and Seawell, Assistants to the President Edward Kelley and Donald Walker, and Personnel Director Cleon B. Murray.

COUNCIL APPRECIATIVE OF FACULTY AID IN PRESIDENTIAL SEARCH

Members of the Plattsburgh College Council have asked Don Garrant, assistant to the President for college relations, to express their appreciation to the faculty for assistance given in the search for a new College president. Garrant, himself a member of the Council-appointed committee seeking a new president, told *Weekly*, "The members of the Council especially appreciate the generous amount of time that faculty have spent with them in discussing and reviewing procedures for finding and appointing the person best qualified to become president of the College."

Applications for the presidency continue to arrive at the College. At press time, applications had been received from more than 125 well qualified candidates.

WINTER WEEKEND BEGINS WITH CORONATION TONIGHT

Winter Weekend '74 will begin tonight with the coronation of the king and queen at a wine and cheese party in the Stage XIV Dining Hall. Weekend activities will be patterned after the theme "A Peek at the Past — Childhood Memories." A complete schedule of activities appears in *This Week's Calendar*.

ALUMNI TO CONTACT ACCEPTED STUDENTS

In a pilot project to be initiated by the Plattsburgh Alumni Association and the College Admissions Office, Plattsburgh alumni will personally contact students who have been accepted for September admission. The project, to be tried first by alumni on Long Island, is designed to provide prospective students with information about Plattsburgh State which might not be available in catalogues or brochures. Alumni and admissions representatives predict that the new program will increase the percentage of accepted students who actually enroll at the College in the fall.

PRESIDENT ADDRESSES AFFIRMATIVE ACTION ADVISORY COMMITTEE

President George Angell met yesterday with his advisory committee on affirmative action and outlined for the thirteen members of the new committee (see Weekly, January 31, 1974) their responsibilities to the campus program for affirmative action and equal employment opportunity. The committee is charged with advising the President on the status of campus programs for affirmative action; with studying the program and making progress reports about it; with recommending workshops and policies concerning affirmative action; with receiving and reviewing complaints relative to campus employment practices and recommending action on the complaints to the President. The committee is chaired by Mrs. Olive Bradley, Secretary of the College.

MID-WINTER RECESS BEGINS THURSDAY

The College's mid-winter recess will begin Thursday (February 14) following classes. College residence halls will close Friday (February 15) at noon and will not reopen until 9:00 a.m. February 24. Classes will resume February 25. This will be the last issue of Weekly until February 28.

ICE CARNIVAL SCHEDULED FEBRUARY 17

The Plattsburgh State Cardinal Booster Club and the Skating Club of Lake Placid will sponsor an ice carnival spectacular -- "Disney on Ice" -- February 17 at the Field House. Featured performers will include 12-year-old skating prodigy Priscilla Hill of Lexington, Massachusetts, and 1973 National Gold Dance Bronze Medalists Richard Horne and Vane Pankey representing the Skating Club of Wilmington, Delaware. The show will comprise more than twenty acts, including performances by members of the skating clubs of Plattsburgh and Lake Placid.

Tickets for the 2:30 p.m. show will be sold February 11-15 from noon until 5:00 p.m. daily at the Memorial Hall Box Office and from 6:00 until 10:00 each evening at the Field House; February 16 from 9:00 a.m. until 9:00 p.m. at the Field House; and February 17 from 9:00 a.m. until show time at the Field House. Reserved seat tickets will be \$3.00 each, and general admission tickets will be \$2.00 for adults and \$1.00 for children under 12.

Proceeds from ticket sales will benefit a Plattsburgh State student scholarship fund established by the Booster Club.

FOUNDATION CENTURY CLUB OFF TO RECORD START

The Plattsburgh College Foundation's Century Club has enlisted 19 members to date in 1974 -- a record for this early in the year. Directed by Martin Mannix, Jr., of Plattsburgh, the Century Club has set a goal this year of 175 members. Century Club members are donors of \$100 or more to Foundation programs.

The Foundation has also received three new 1974 corporate gifts totaling \$1,700. Roger P. Kennedy Construction Company and National Savings Bank have each given \$600 gifts to the Foundation, and Arpak Plastics of Plattsburgh has made a recent \$500 gift.

Executive Director Don Garratt reports that the Foundation programs had 238 more benefactors in 1973 than in 1972, including 176 new donors to the annual Plattsburgh Alumni Association Fund Drive and 51 new donors to the Century Club.

KENT ART WORKS ON DISPLAY THROUGH FEBRUARY 28

Paintings and prints by the late Rockwell Kent will be exhibited in the Gallery of the Myers Fine Arts Building through February 28. The exhibition includes paintings (primarily of Adirondack scenes), lithographs, wood engravings and a never-before-exhibited group of set and costume designs prepared by the artist on commission for the Kirov Opera production of Peter Grimes. The Gallery is open weekdays from 9:00 a.m. until 5:00 p.m., and admission is free of charge.

FACULTY SENATE ENDORSES LIBRARY BILL OF RIGHTS, ACTS ON EARLY ADMISSIONS

At its February 12 meeting, prior to the mid-winter recess, the Faculty Senate endorsed the Library Bill of Rights of the Council of the American Library Association. The Senate also approved a recommendation for early admissions guidelines, and amended an earlier Senate action to state that candidates for master's degrees must complete their degree requirements within seven years of enrollment. The amendment to the academic policies for graduate students will require the approval of the College President. The library bill of rights and the recommended guidelines for early admission are contained in the Senate agenda of January 31.

At its Tuesday (February 26) meeting, the Senate postponed until its next meeting any action on proposed amendments to the Faculty Bylaws.

DR. BREEN ANNOUNCES RETIREMENT PLANS

Dr. M. Frances Breen, director of libraries, has announced plans to retire from the College August 31. Dr. Breen is on sabbatic leave for the current year and is serving as volunteer directress for the Nazareth School in Addis Ababa, Ethiopia. In a letter announcing her retirement plans to President George Angell, Dr. Breen said she has elected to remain at the Ethiopian school in her voluntary capacity.

"Dr. Breen served ably for eighteen years in a position of great importance to this College," said President Angell. "During that time she supervised the transition of books from the second floor of Hawkins Hall to Feinberg Library thirteen years ago, and has ensured with more recent efforts that the College's soon-to-be-constructed library will be as complete and efficient as modern techniques and procedures will allow. She is a dedicated educator who will be difficult to replace, and I wish her the greatest success in her admirable endeavors in behalf of children in Ethiopia."

BINGHAMTON FIRM APPARENT LOW BIDDER FOR LIBRARY CONSTRUCTION

Murray Walter, Inc., of Binghamton has submitted the apparent low bid for construction of the College's new 500,000-volume library. At a February 13 bid opening in the offices of the State University Construction Fund in Albany, Murray Walter was the apparent low among 10 bidders with its bid of \$5,835,000 for construction of the new facility. The bid was \$130,000 below the estimated value of the library construction project. All bids are subject to final review by the Construction Fund before the contract is awarded. Groundbreaking is expected this spring.

MORE THAN 200 PERSONS APPLY FOR PRESIDENCY

The committee seeking a successor to College President George Angell has received applications for the presidency from 221 persons. The committee, chaired by College Council Chairman E. Yale Clarke, meets this afternoon. The committee has established a September 1 deadline for selection of a new president.

COLLEGE SIGNS \$97,000 AIR FORCE CONTRACT

The United States Air Force has signed a \$97,000 contract commissioning the College to administer 78 courses in leadership and communication arts for senior non-commissioned officers on 20 air bases. Professor Melvin Donaho, who has offered 15 such courses at Plattsburgh Air Force Base, will direct the program. It involves bases throughout the Second Air Force region.

FOUR FROM FACULTY RECEIVE CANADIAN STUDY GRANTS

Using funds from its recent grant from the William H. Donner Foundation, the Canadian Studies Faculty Committee has awarded six-month study grants to four members of the College faculty. The awards are made to assist scholars in established disciplines to acquire special competence in Canadian Studies. Awards will begin in June for Dr. Bruce Butterfield of the English department, Dr. Ben Morreale of the history department and Dr. Calvin Veltman of the sociology department. An award to Dr. Charles Kline of the communication and theatre arts department will begin in the spring semester of 1975. Upon returning to campus, each grant recipient will offer at least one course on Canadian

influences in his discipline. The four faculty members will also work with present members of the Canadian Studies Faculty Committee in continuing the development of the Canadian Studies Program on- and off-campus.

GEOGRAPHY SECTION EARNS DEPARTMENTAL STATUS

Effective tomorrow, the College's geography faculty will be organized into their own academic department and will no longer be a section of the geography/history department. There are six faculty members and approximately 50 undergraduate declared majors in the geography program. Charles Zinser, senior faculty member and current coordinator of the geography section, will become department chairman. Designation of the new department was granted when it was shown that it could be accomplished at no additional cost to the College.

'KLOCKWORKS IN PROCESS' OPENS SUNDAY

"Klockworks in Process" — an exhibition of the ceramic work of Associate Professor of Art William Klock and four of his students, will open with a public reception for the artists Sunday (March 3) beginning at 3:00 p.m. in the gallery of the Myers Fine Arts Building. The exhibition will continue through March 25 and the gallery is open regularly on weekdays from 9:00 a.m. until 5:00 p.m.

FACULTY SENATE ELECTION PROCEDURES UNDER WAY

The Faculty Senate's Committee on Membership and Elections is currently accepting nominations and petitions for election of faculty representatives to the Senate and its standing committees. To be elected by the entire faculty are Faculty Senators-at-Large to fill two three-year terms and one one-year term. Also to be elected by the entire faculty are two representatives to fill two-year terms on the Committee on Membership and Elections. Separate College governance units will also elect representatives to the Senate according to the following allotments: Humanities, one representative; Professional Studies, two representatives; Science and Mathematics, one representative; Social Sciences, two representatives; College Support Services, one representative; Administration, one representative.

The Committee on Membership and Election will also assist in constituting Senate Standing Committees on Student Affairs, Undergraduate Studies, Graduate Studies, Faculty Affairs, College Services and Budget and Resources, before the April 1 deadline established in the Faculty By-Laws.

The appropriate forms for submission of nominations and petitions are available from Romuald Lesage in Room 213 of Hudson Hall (extension 3149). Petitions and nominations must be submitted not later than Monday (March 11).

COLLEGE COUNCIL MEMBER ADDRESSES STATE GATHERING

AFFIRMATIVE ACTION ADVISORY COMMITTEE ESTABLISHES SUBCOMMITTEES

The College Affirmative Action Advisory Committee, chaired by Mrs. Olive Bradley, has divided into three subcommittees. Established are committees on Complaints, Concerns and Grievances; the Role of the Affirmative Action Officer; and the Education Program for the Campus Community. The following persons were appointed to subcommittee membership:

Complaints, Concerns and Grievances — Mrs. Sue Conine, Dr. Edward Kelley, Dr. John L. Myers and Miss Jaimie Trautman;

Role of the Affirmative Action Officer — Thomas Buckingham, Dr. Charles Herod and Bernard Seawell;

Education Program for Campus Community — Dr. Joseph Burke, Gerald Dominy, Mrs. Patricia Higgins and Cleon B. Murray.

The committee was established in January by President George Angell to review complaints that come to its attention through the campus affirmative action officer, Donald Walker, and to otherwise advise the President on campus programs for affirmative action and equal employment opportunity.

NINE STUDENTS ELECTED TO 'WHO'S WHO'

Nine Plattsburgh State students have been selected for inclusion in the 1973-74 edition of "Who's Who Among Students in American Colleges and Universities." PRESIDENTIAL SEARCH COMMITTEE MEETS TODAY

The College committee seeking a successor to Plattsburgh State President George W. Angell meets on campus this afternoon to continue its screening of the more than 200 applications which have been received for the position. College Council Chairman E. Yale Clarke, who also chairs the search committee, expects to issue a progress report from the committee in the near future.

COLLEGE ISSUES FOLLOW-UP REPORT TO MIDDLE STATES ASSOCIATION

President Angell, with the advice and counsel of an ad hoc faculty-student committee, has prepared a progress report for the Commission on Higher Education of the Middle State Association of Colleges and Secondary Schools. The College is accredited by the Middle States Association, and when it last reaffirmed the College's accreditation in June of 1972, the Commission on Higher Education requested a March 1974 report summarizing the College's internal studies on the effectiveness of its administrative structure and the outcomes of its academic programs.

The ad hoc review committee, appointed on recommendations from the Student Association and the chairman of the Faculty Senate, included students Edwin Booten, Laurie Turnbull, Steve Roberts and Ellen Margison, and faculty members Dr. Noel Smith, Dr. Annette LaChance, John Shout, Julius Archibald, Dr. Richard Stowe and Vincent Delio. William Dempsey and Mrs. Olive Bradley assisted the President in preparing the report.

FOUNDATION SCHOLARSHIPS DESCRIBED IN NEW BROCHURE

Folders describing the scholarships and grants to be made available by the Plattsburgh College Foundation for the 1974-75 academic year are available now from the Financial Aids Office, Room 211 of the Kehoe Administration Building. Available with the scholarship folders are application forms which must be completed and returned to the Financial Aids Office by April 5. Listed in the folder are 39 separate scholarships and awards, many of which are divided among two or more students. During the current academic year, the Foundation provided a record \$48,205.70 in aid to 198 Plattsburgh State students.

FEDERAL FINANCIAL AID REQUEST DEADLINE FRIDAY

Student applications for financial aid from such federal programs as the National Direct Student Loan Program, the Work/Study Program and the Federal Nursing Loan Program are due in the Financial Aids Office no later than tomorrow (Friday, March 15). In addition, a Parents' Confidential Statement must be filed with the College Scholarship Service in Princeton, New Jersey, for students applying for financial aid. Financial Aid Applications and forms for filing the Parents' Confidential Statement are available from the Financial Aids Office.

ANGELL TO ADDRESS CONFEDERATION OF ALUMNI

President Angell will deliver the keynote address at the seventh annual conference of the Confederation of Alumni Associations of State University of New York March 30 in Albany. Dr. Angell's address will be entitled, "Do Alumni Associations Have a Future in State University?"

Also on the conference program as a Plattsburgh State representative is Alumni Affairs Director Malcolm Lavery, who will discuss the role of alumni in the admissions process.

UNIVERSITY YEAR FOR ACTION RECRUITING STUDENT VOLUNTEERS

The acting director of the College's University Year for Action (UYA) Program, Jane Gore, is recruiting students to participate in the community action program for academic credit. The UYA program is funded by a grant from the U.S. Department of Health Education and Welfare and provides for participating students a one-year employment experience in community service agencies and projects. The thirty students who will participate in the new program which begins at Plattsburgh June 1 will receive stipends to defray living expenses and will earn up to thirty hours of academic credit for their experiences.

(over)

Students in the Plattsburgh-based program will concentrate on the problems of the rural poor in Clinton County. Volunteers will not merely supplement community agency staffs, but will work on new programs or program innovations.

Sophomores, juniors and seniors from all academic disciplines are eligible to participate in the program. Those interested should contact Ms. Gore immediately in room 113 of Hawkins Hall (telephone 564-2051).

AD HOC COMMITTEE ON COMMENCEMENT TO ISSUE QUESTIONNAIRE

A campus committee studying recommendations for change in the Plattsburgh State commencement program will issue a questionnaire this week to a random sample of faculty, students and recently graduated alumni. The questionnaire polls reactions to suggested changes in the commencement program and should be returned promptly to Robert Kellett in the Kehoe Administration Building, Room 709.

DELTA KAPPA DELTA AIDS HISTORICAL SALVAGE EFFORT

Delta Kappa Delta Fraternity earned the thanks of the acting director of the Clinton County Historical Museum, Mrs. Helen Allan, for its members' assistance in moving heavy cases of old glass negatives from the Brush studios to the County Museum in City Hall.

"Besides performing a community service," said a letter from Mrs. Allan to the fraternity, "you took part in a historical rescue mission. The negatives, which are a valuable record of life in Clinton County, might well have been destroyed if we had not been able to save them. Thanks to you!"

NEW THEATRE ASSOCIATION PRESENTS COMEDY OF ERRORS

The New Theatre Association's production of Shakespeare's *Comedy of Errors* will open Wednesday evening (March 20) in Hartman Theatre of the Myers Fine Arts Building. *Comedy of Errors* is the first production of a Shakespeare play at Plattsburgh State in several years. Directed by Daniel Watermeier, the play will be presented in 8:00 p.m. nightly performances through March 24. Tickets are free for members of the Student Association and \$2.00 each for the general public.

FIELD HOUSE SKATING SCHEDULE ENDS SUNDAY

Sunday will be the final day of recreational skating periods at the Field House for the current academic year.

SOCCER TEAMS TO PLAY AT POTSDAM

The varsity soccer team and a Plattsburgh club soccer team will travel to Potsdam State Saturday for a day-long indoor soccer tournament.

PRESIDENTIAL SEARCH NARROWED TO 15 CANDIDATES

The search committee charged with soliciting and reviewing applications for the presidency at Plattsburgh State has reduced to fifteen the number of candidates being considered for the position. More than 200 persons applied for the College Presidency to succeed Dr. George W. Angell, who will retire August 31.

The presidential search committee is now requesting references to the abilities of the fifteen candidates still under consideration. In addition to seeking statements of reference from persons suggested by the candidates, the committee is also questioning other members of the academic community who will, by necessity, have had close contacts with the candidates. Included in this category of additional sources of reference, according to College Council and search committee Chairman E. Yale Clarke, are such persons as students, campus presidents, chairmen of faculty organizations, chairmen of boards of trustees, and heads of university systems who may have had direct working contact with the candidates.

At its next meeting, April 4, the search committee will review those references in light of the information it already possesses and further reduce the field of candidates to five or six persons. Those five or six candidates selected by the search committee April 4 will be invited to campus for interviews to be scheduled following the Easter recess.

The search committee has formulated an interview schedule which will bring each candidate to campus for two days of extensive meetings and which provides the opportunity for dialogue between the candidates and members of every campus constituency. Included in each candidate's interview schedule will be blocks of time set aside for conversations with any interested students and teaching and non-teaching faculty. *Weekly* will publish the complete interview schedule prior to the first candidate's visit to campus.

GOVERNOR SIGNS PAY BILL FOR PROFESSIONALS

Governor Malcolm Wilson yesterday signed legislation authorizing a four and three-quarters per cent across-the-board pay raise for professional employees of the State University. The bill also commits an amount equal to one and one-quarter per cent of the total salaries of State University professionals to a pool which will be used to fund discretionary pay increases. The pay raise will be retroactive to September 1973 for 10-month employees and to July 1973 for 12-month employees.

LIBRARY INITIATES OPEN ACCESS PLAN

Students, faculty and staff of Plattsburgh State will have access privileges at all of the libraries in the State University system under provisions of a new open access library policy. Presentation of a valid State University identification card will entitle visiting readers to borrowing privileges, use of the collection, and the same services and facilities which are available to them at their home campus. In using the library facilities at another campus, the reader will accept the same responsibilities for care and protection of library materials as apply at his home campus.

ALUMNI FUND EXPERIENCES 30% INCREASE

Money contributed to the 1973 Plattsburgh State Alumni Fund increased approximately 30 per cent over the total funds collected in the Alumni Association's 1972 drive for scholarship funds. Total alumni contributions to the Fund and to the Cardinal Booster Club totaled \$12,616 during the fund drive period from June 1, 1973, to January 31, 1974, as compared with \$9,708.94 received from alumni in the previous year.

"Of significant interest," according to Alumni Affairs Director Mal Lavery, "is the increase we experienced this year in the number of alumni contributors to the fund drive. This year's drive benefited from contributions by 715 alumni, as compared with 475 contributors to the 1972 drive. The figures show an increased awareness among alumni of the Plattsburgh State students' need for financial assistance." All funds from the drive are dispersed as scholarships and grants.

FRANK GIFFORD HERE SUNDAY NIGHT

ABC sports commentator and former New York Giant football great Frank Gifford will speak Sunday evening (March 24) at 8:00 in the Large Auditorium of Hawkins Hall as a presentation of the Speakers Forum. Tickets are free for S.A. members and \$1.00 for all others.

SESAME STREET RESEARCH DIRECTOR SPEAKS HERE TOMORROW

Dr. Girvin Kirk, director of research for the producers of the childrens' television show *Sesame Street*, will be the featured lecturer and discussant at two behavioral science presentations scheduled in Room 206 of the Communications Lecture Hall tomorrow (Friday, March 22). At 3:30 p.m. Kirk will address a colloquy on "The Role of Research in the Production of *Sesame Street*," and at 8:00 p.m. he will present a public lecture entitled "*Sesame Street*: Techniques for Teaching Pre-Schoolers on TV." Admission to both sessions is open to all, free of charge.

COMEDY OF ERRORS PLAYS THROUGH SUNDAY

The New Theatre Association production of Shakespeare's *Comedy of Errors* opened last evening and will play through Sunday (March 24) in nightly performances at 8:00 in the Hartman Theatre. Tickets are free for S.A. Members and \$2.00 for the general public.

STUDENT ART SHOW JURORS LECTURE TOMORROW

The two jurors for Plattsburgh State's juried student art exhibition will lecture tomorrow in the Myers Fine Arts Building. Nancy Griebisch of the Lake Placid Workshop will present a printmaking lecture/demonstration at 10:00 a.m. in the printmaking studio. Dr. Coy Ludwig, director of the gallery at Oswego State, will lecture on the artist Maxfield Parrish at 7:00 p.m. in Myers 216. Both presentations are open to all, free of charge.

Works in the student show will be judged tomorrow and will be exhibited in the Myers Gallery March 29 through April 17.

FRIDAY'S PLANETARIUM SHOW — 'HOW FAR AWAY IS IT?'

The planetarium presentation scheduled tomorrow (March 22) will describe some of the methods used by scientists for measuring distances in outer space. Admission to the show is open to all, and free tickets are available during regular business hours from the main office of Hudson Hall. Shows will begin Friday evening at 7:30 and 8:30.

CROSS COLLECTION ON DISPLAY AT FEINBERG

An exhibit of 175 small crosses from the collection of Phyllis L. Wells is on display in the lobby and in the informal reading room of Feinberg Library. Miss Wells is a librarian at the College. The exhibit will continue until the end of March.

GUIDELINES FOR PROFESSIONAL SALARY INCREASES ESTABLISHED

The College has received guidelines for administering the discretionary salary increases included in the 1973-74 pay package for State University professionals. The total money available for discretionary increases at Plattsburgh will be equal to 1.25 per cent of the annual salaries of the 362 professional (teaching and non-teaching) staff members who held appointment at the College June 30, 1973, and who are still members of the staff. The amount to be awarded in discretionary increases locally totals approximately \$65,000.

Each of the 362/professional staff members employed by the College as of June 30, 1973, and still a member of the staff, is eligible for a discretionary increase, within the following constraints established by the Chancellor.

- the increase must be recommended to the Chancellor by President Angell after normal procedures of consultation which are outlined in the Policies of the State University Trustees;
- no increase will be given which will make an individual's salary exceed the maximum salary established for his title or grade;
- increases will be granted to not more than 50 per cent of the academic staff and 50 per cent of the non-teaching professionals;
- discretionary increases will not be more than \$2,500 nor less than \$200 for any one individual.

The above guidelines for awarding discretionary monies are uniform for all State University campuses.

In addition, all 362 persons on the payroll as of June 30, 1973, will receive a salary increase equal to 4.75 per cent of their 1972-73 salaries, and paid retroactively through the date of the salary adjustment.

THE ADMISSIONS PICTURE — HIGHLY COMPETITIVE

*NOTE: this is the first in a **Weekly** series of informational pieces about the status of Plattsburgh State's admissions program for the fall semester of 1974.*

Local and State-wide figures indicate that Plattsburgh State is in a highly competitive market for the more than 2,200 new students it hopes to enroll in September. Figures released by State University admissions personnel earlier this month show that fewer persons are applying to State University, but that a significantly larger percentage of persons are submitting applications to more than one State University unit.

Admissions figures issued for the entire State University system show that total applications for admission to all SUNY units have increased by 17.8 per cent, while the actual number of persons applying for admission has decreased by 5.1 per cent. Both figures are obvious indicators of the significant increase in competition for students among State University units.

Plattsburgh State has received applications for September 1974 admission from 6,416 prospective students — a 21 per cent increase over last year.

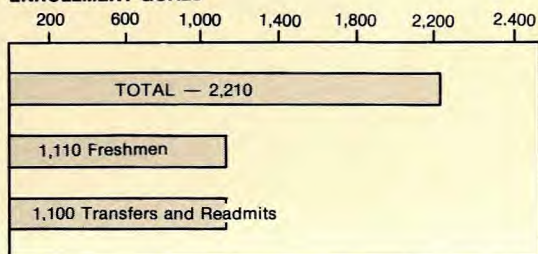

The College has offered acceptance to 4,295 persons, as compared with 1,893 acceptances offered at this time last year. **However, the goal for new student enrollment has been increased significantly from 1,300 in the fall of 1973 to 2,210 for September 1974** (1,110 freshmen and 1,100 transfers and readmits).

To date, tuition deposits have been received from 338 prospective students, a 37 per cent increase over the number of deposits received at this time last year. The \$50 deposits are required by May 1, or within 30 days after acceptance, whichever comes last.

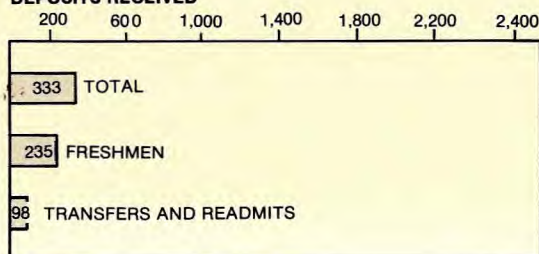

Several programs are underway to increase the number of accepted students who actually enroll at the College. Personal letters from selected faculty members and Vice Presidents Burke and Flynt are being mailed to those accepted. Admissions counsellors are working evenings to contact accepted students by telephone. Current catalogues are being mailed to all accepted students. And selected alumni on Long Island are contacting prospective students from their area and offering answers to any questions they may have about the College.

Vice President for Academic Affairs Joseph Burke, chairman of the campus enrollment committee, commented that, "To recruit new students in the competitive New York State market is only half of the problem. To meet our enrollment goals for September, faculty, students and administrators must cooperate in making Plattsburgh State the type of college that will retain the students who are enrolled."

DEPOSITS RECEIVED

TRUSTEES APPROVE BUILDING NAMES

At its regular meeting yesterday in Albany the State University Board of Trustees approved names for three buildings in the College's newest complex of residence and dining halls. Approved were the names **Algonquin Dining Hall** for the building formerly designated Stage XIV Dining Hall, **Whiteface Residence Hall** for the building formerly designated Tower One, and **Adirondack Residence Hall** for the three-story structure formerly designated Building Three. The names were recommended by the Plattsburgh College Council.

GRACE REESE ANNOUNCES RETIREMENT — SUCCESSOR SOUGHT

Foreign Student Advisor Grace Reese has announced that she will retire from service to the College at the end of June. An employee of the College since 1959, Mrs. Reese transferred from the home economics faculty in 1967 to devote full time to the direction of the program for foreign students. She currently attends to the special needs of 97 foreign students, preparing them for admission to the College, conducting a program to orient them to local and national customs, and facilitating their cultural interchange with local students and community residents.

Applications from persons who wish to succeed Mrs. Reese as foreign student advisor are being solicited now by Dr. Daniel Socolow, director of international studies. Preferred applicants will have a masters degree in a related field, experience and interest in working with persons from other cultures and some administrative and program experience, though candidates need not meet all these criteria to qualify:

RECRUITER/CAREER PROGRAM PLANNED MONDAY

The Career Planning and Placement Office will sponsor a Recruiter/Career Program Monday evening from 7:15 until 9:00 in the lounge of Clinton Dining Hall. CHANCELLOR TO DELIVER COMMENCEMENT ADDRESS

State University Chancellor Ernest L. Boyer will be the featured speaker at the College's 84th Spring Commencement Exercise May 19 in the Field House. Dr. Boyer was appointed Chancellor of the University in September, 1970. He had previously served the University as Executive Dean for University-wide Activities, as Vice Chancellor and as Acting Chancellor in the absence of Dr. Samuel Gould.

Chancellor Boyer was appointed by President Nixon to the National Commission on the Financing of Postsecondary Education in 1972 and, in 1973, he was appointed by Nelson Rockefeller to membership on the Commission on Critical Choices for Americans. He holds office, directorship or membership in numerous state and national associations and agencies including the Association of Colleges and Universities of the State of New York (president) and the National Association of State Universities and Land-Grant Colleges (president-elect).

PRESIDENT ANGELL HONORED BY PHI DELTA KAPPA

The Plattsburgh Chapter of Phi Delta Kappa national honorary fraternity cited College President George W. Angell's "sincere dedication to education" with an award presented to him at a dinner meeting last evening. Dr. Angell, who will retire August 31 after more than 20 years service as President of the College, is a charter member of the local chapter of the national fraternity.

GRAPH REFLECTS PROGRESS TOWARD ADMISSION GOAL

To the left is a graphic illustration comparing the College's September 1974 new student enrollment goal with the number of admissions deposits received to date (the most reliable indicator of the number of accepted students who may be expected to enroll next fall). As of March 29, the College Admissions Office had received a total of 424 deposits from prospective students, an increase of 86 deposits more than the previous week's report. As of the March 29 reporting date, the College had received 6,491 applications for admission, up 75 applications over the previous week.

MARIA LAVERY TO HEAD STATE CONFEDERATION OF ALUMNI

Mrs. Maria Lavery, a 1962 Plattsburgh State graduate, was elected president of the Confederation of Alumni Associations of the State University of New York at the Confederation's annual meeting last weekend. Mrs. Lavery is the first woman president in the seven-year history of the Confederation. She has been vice president of the organization for the past two years, and before that served as its secretary.

The Confederation was founded for the purposes of supporting and improving alumni programs throughout the State University. As its president, Mrs. Lavery will represent the Confederation in its dealing with various other organizations. She will also be responsible for convening and presiding at regular meetings of the Confederation's executive committee and 17-member council.

Mrs. Lavery, a teacher at Bailey Avenue School in Plattsburgh, is married to Plattsburgh State Alumni Relations Director Mal Lavery.

SPRING RECESS BEGINS WEDNESDAY

Spring recess begins Wednesday (April 10) at 5:00 p.m., and College residence halls will close at noon April 11. Classes are scheduled to resume April 22 at 8:00 a.m., and residence halls will reopen April 19 at 4:00 p.m. Food service will resume with brunch on April 21. The next issue of **Weekly** will be published April 25.

LIBRARY SITE WORK TO CURTAIL ACCESS FROM DRAPER AVENUE

Site work for the new College library has begun in the area adjacent to the College Center and between Draper Avenue and the second-level pedestrian podium which connects several of the College's buildings. The preparation of the construction site will eliminate the vehicular and pedestrian access under the podium from Draper Avenue.

DANCE CONCERT SCHEDULED IN HARTMAN THEATRE

The Plattsburgh State Dance Club will present its annual concert in performances tonight, Friday and Saturday in Hartman Theatre. Performances will begin nightly at 8:00, and admission is free of charge. The show includes eleven numbers and represents the work of approximately 40 persons associated with the Dance Club.

SPORTS MEDICINE CLINIC SATURDAY

The Division of Health, Physical Education and Recreation will sponsor a sports medicine clinic Saturday from 9:00 a.m. until 3:00 p.m. in the Field House. Numerous presentations by area doctors, trainers and school officials will cover topics relating to the conditioning and training of athletes and the prevention and treatment of their injuries. The program is geared primarily to the interests of coaches and physicians, but attendance is open to anyone, free of charge.

COLLEGE TO HOST UNDERGRADUATE PSYCHOLOGY CONFERENCE

Psi Chi psychology fraternity and the Plattsburgh State Psychology Club will host the Ninth Annual Inter-campus Undergraduate Psychology Conference this weekend (April 5-7). Approximately 75 students and teachers from colleges and universities throughout New York and New England are expected to attend the conference. It is intended primarily as a forum for the presentation and discussion of student-written papers in psychology. Clinical psychologist George Albee of the University of Vermont will address the group on the "Future of Psychology" following a Friday banquet.

SPRING SPORTS SCHEDULE BEGINS THIS WEEKEND

The College's schedule of intercollegiate competition in spring sports will begin this weekend when the Cardinal tennis team travels to the University of Vermont for a two-day indoor championship tournament. During the spring recess the tennis team will make its southern trip with competitive stops slated at Roanoke College, Lynchburg State College, Virginia Tech, Washington and Lee University (all in Virginia), Millersville State College (Pennsylvania) and SUNY rival Albany State.

PLANETARIUM SHOWS 'XYZT — SPACE AND TIME'

DR. ANGELL TO DIRECT CAPITOL-BASED BARGAINING SERVICE

President George Angell will become director of the Academic Collective Bargaining Information Service in Washington, D.C., following his retirement from the College August 31.

The Academic and Collective Bargaining Information Service is a neutral service funded by the Carnegie Corporation of New York and co-sponsored by the Association of American Colleges, the American Association of State Colleges and Universities and the National Association of State Universities and Land Grant Colleges. Its information, research and consultant services are available to the more than 1,000 colleges and universities who are members of the three sponsoring organizations.

Acceptance of this national directorship represents a change in Dr. Angell's retirement plans. He had earlier announced his intention to accept a University Professorship at Albany State.

Dr. Dawson

DAWSON TO CHAIR FACULTY SENATE

Dr. James C. Dawson, assistant professor of earth sciences, was elected chairman of the Faculty Senate at the Senate's April 9 organizational meeting. At the same meeting, Dr. J. Stallard Waterhouse was re-elected vice chairman of the Senate, and Joseph G. Swinyer was elected secretary.

Dr. W. Raney Ellis, III, and Lawrence Arcarese were appointed to membership on the Senate's Executive Committee, and Dr. Mary Anne Poston and Craig Sample were appointed to membership on the Senate's Standing Committee on Faculty Affairs.

The Senate also passed an amendment to its by-laws which causes College faculty affairs committees to take office on July 1, rather than in April. The next regular meeting of the Senate is scheduled May 7.

ADMISSION DEPOSITS REACH 40% OF SEPTEMBER GOAL

As of April 19, the Admissions Office had received admissions deposits from 881 students who have been accepted for September 1974 enrollment at the College. The number is 40 per cent of the College's new student enrollment goal. Admissions Director David Truax predicts that many of the students who have been accepted for enrollment beginning in the fall will wait until after the **May 4 Plattsburgh Admissions Open House** to make the final decision about attending Plattsburgh State. Truax expects to have received the bulk of admissions deposits by May 15.

FOUR AD HOC CAMPUS COMMITTEES TO BE APPOINTED

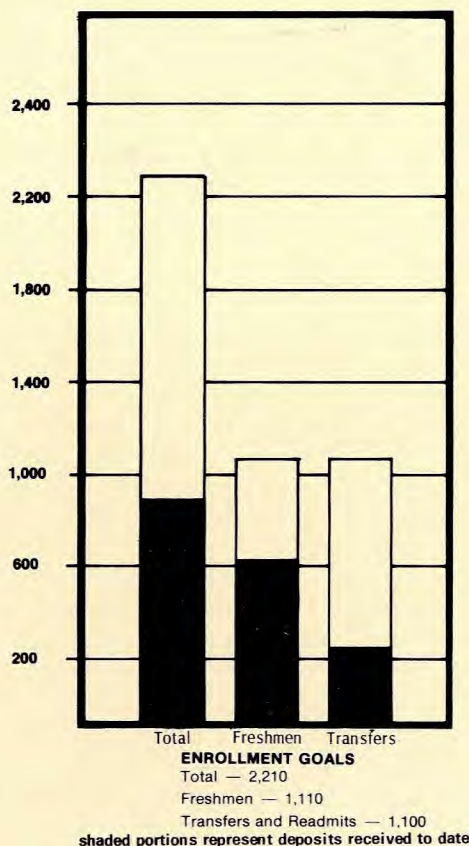

Ad hoc committees recommended by the President's Steering Committee will study four campus topics and report their findings to the President.

An ad hoc committee on **student evaluation of the effectiveness of teaching** will be chaired by Vice President for Academic Affairs Joseph Burke and will include faculty and student representatives. It will prepare a proposal with recommendations relative to channels for student involvement in the evaluation of teaching.

A second ad hoc committee will review the policies, and the enforcement of regulations relating to **smoking in classrooms and other places of public assembly on campus**. The committee will be chaired by Vice President Bernard J. Seawell and will include a department chairperson from each of the College's five academic faculties.

A third ad hoc committee will examine the **need for minimal College-wide uniform procedures for departmental evaluation of faculty**. The committee will select its own chairperson and will comprise two representatives each from the Faculties of Humanities, Professional Studies, Science and Mathematics and Social Sciences, and one representative of the Faculty of General and Continuing Education.

The fourth ad hoc committee will make recommendations for the **1975-76 academic year calendar**. The committee of five students and five faculty members will be chaired by Vice President Flynt. Its study will include a comparison of the merits of the present calendar format (with the first semester beginning in early September and ending before Christmas) and the former calendar format (with first semester beginning in mid-September and ending in late January).

PROFESSIONAL SALARY INCREASE TO BE PAID MAY 15

Money due State University professional employees as a result of the recent approval of legislation authorizing a 1973-74 pay increase (see **Weekly** March 21 and 28) will be paid in checks of May 15. Included will be a 4.75 per cent salary increase for all professional staff members employed by the College as of June 30, 1973, as well as discretionary increases for those employees recommended and approved for such increases under guidelines handed down by the Chancellor. The raise will be retroactive to July 1, 1973, for twelve-month employees and to September 1, 1973, for ten-month employees.

OHIO UNIVERSITY WINS NATIONAL FORENSIC TOURNAMENT

A team from Ohio University won the National Forensic Tournament staged at the College last weekend. A team from Eastern Michigan University, last year's champion, finished second among the teams from 105 colleges and universities who competed in the event. Plattsburgh State's Forensic Union, host of the event, doubled its point total from last year's national championship to finish in twenty-third place.

NEON SCULPTURE EXHIBIT OPENS MAY 1

"Corner Neons," an exhibit of the neon sculpture of Stephen Antonakas, will be shown in the Myers Fine Arts Gallery May 1-25. The artist will be on campus Tuesday (April 30) for a 4:00 p.m. lecture in the Gallery.

ABOMINABLE SNOWMAN TOPIC OF COLLOQUY

The sociology/anthropology and behavioral science departments will sponsor a colloquy entitled "Big Foot Sasquatch — Abominable Snowman: Myth or Reality?" Sunday (April 28). Dr. Mark Cohen will address the subject of the snowman's existence beginning at 2:00 p.m. in the Formal Lounge of Whiteface Residence Hall (Tower I).

ROCK CONCERTS SCHEDULED SATURDAY, SUNDAY

Three student rock bands will perform original pieces during concerts Saturday and Sunday evenings (April 27 and 28) in Hartman Theatre of the Myers Fine Arts Building. Performances both nights will begin at 8:00. The members of the bands are students in Dr. Yenoin Guibbory's class in contemporary musical productions. The bands, says Dr. Guibbory, have developed distinctly separate styles. Admission is free of charge.

LESLIE FIEDLER HERE MONDAY

Leslie Fiedler, well-known critic and author of *An End To Innocence* and *Love And Death In The American Novel*, will give a public talk in Hartman Theatre at 8 p.m. Monday. His wife, Sally Andersen Fiedler, will give a reading of her poetry in the CVH Commons at 4 p.m. Monday. Their appearances on campus are sponsored by Poets and Writers, Inc. (which is funded by the New York State Council On The Arts) and by the Student Association through its academic affairs board.

LECTURES ON THE ENVIRONMENT SCHEDULED

The Institute for Man and His Environment, the biology department and Sigma Xi will sponsor lectures on the environment by two noted speakers during the coming week. **Dr. Robert Leo Smith**, a former Plattsburgh faculty member and now professor of wildlife and biology at West Virginia University, will present a lecture about man-environment relationships Monday at 3:00 p.m. at Miner Center, and will lecture on the topic of "Man and Nature in Appalachia" Tuesday evening beginning at 8:00 in Room 106 of Hudson Hall.

T.J. Kneip, Deputy Director of the Laboratory for Environmental Studies at N.Y.U. Medical Center, will speak about food chain concentration effects during speeches Thursday beginning at 3:00 p.m. at Miner Center and at 8:00 p.m. in Room 106 of Hudson Hall.

BERBERET NEW I. M. E. DIRECTOR; ENVIRONMENTAL STUDIES B.A. APPROVED

Dr. William G. Berberet, acting director of the College's Institute for Man and His Environment since January of 1973, has been named director of the Institute, effective July 1. Berberet was chosen for the position by a faculty and student committee chaired by Dr. Nicholas F. Troisi, Dean of the Faculty of General and Continuing Education. He was one of more than 100 candidates for the position.

The State University Central Office has recently given approval to the curriculum for a **Bachelor of Arts degree program in Environmental Studies** to be offered by the Institute for Man and His Environment beginning in September. The new curriculum offers courses providing a theoretical foundation in environmental science ranging from environmental law and aesthetics to land use planning and environmental engineering. A number of advanced courses offer training in career skills areas such as landscape architecture, regional planning, social survey techniques, computer modeling and environmental impact assessment.

ADMISSIONS DEPOSITS RECEIVED FROM 1,082

As of April 26, the Admissions Office had received admissions deposits from 1,082 prospective students, or nearly half the goal of 2,210 new students which it hopes to enroll in September. The latest deposit figure reported by the office includes 755 prospective freshmen and 327 prospective transfers and readmits.

OPEN HOUSE PLANNED SATURDAY

Prospective students, their parents and interested community residents will be guests of the College Saturday during a day-long open house designed to give visitors a perspective on the College's wide variety of educational offerings.

A general information session and campus tours for prospective students and their parents will begin at 9:30 Saturday morning. Representatives of all five of the College's academic faculties, as well as representatives of the admissions and financial aids offices and the Clinton County Tourist Bureau, will be available at various campus locations from 1:00 until 4:00 p.m. Saturday afternoon to describe for community residents and prospective students the academic programs, student aid services and North Country recreational opportunities available to students enrolled at Plattsburgh State. Invitations to the open house have been extended to more than 3,000 prospective students and to guidance offices in high schools and community colleges throughout the state.

SPRING ARTS FESTIVAL IN PROGRESS THROUGH SUNDAY

Numerous art and entertainment events are scheduled today through Sunday in the College's third annual Spring Arts Festival. LAST CALL FOR RESERVATION FOR 'EVENING WITH GEORGE ANGELL'

College personnel have until the end of the working day next Tuesday to make reservations for "The Faculty presents . . . An Evening With George Angell." The faculty and staff salute to Dr. Angell, who will retire from State University August 31, is scheduled May 17 in Clinton Dining Hall. The evening will include cocktails and a sit-down dinner. Tickets will not be sold at the door.

Only College personnel and their wives are invited to the event. Reservation forms for those who may have misplaced them are available from the Office of College Relations (2090).

MARILYN CHASE ELECTED HOME ECONOMICS ASSOCIATION PRESIDENT

Mrs. Marilyn Chase, faculty member in the Division of Home Economics, is the president-elect of the 3,000-member New York State Home Economics Association. She is the second Plattsburgh faculty member elected to the position (the first was the late Dr. Marie Banks), and one of the youngest presidents in the Association's history. She will serve a one-year term as president-elect and two years in the presidency.

JAZZ AND CONTEMPORARY CONCERT TUESDAY

The Jazz and Contemporary Ensemble will perform a concert of jazz, rock and popular music Tuesday evening (May 7) beginning at 8:00 p.m. in the Large Auditorium of Hawkins Hall. The public is invited to attend the concert free of charge. The program will include pieces ranging from the big band sound of Buddy Rich ("Mercy, Mercy, Mercy" and "Love for Sale") to an experimental electronic piece by Hawkins entitled "Phlash Prologue."

SACRED MUSIC RECITAL INCLUDES PREMIERE PERFORMANCE

A world premiere of "Four Songs to Poems of Thomas Merton" will be included in a recital of sacred music scheduled Friday evening (May 3) beginning at 8:00 p.m. at the Plattsburgh Newman Center on Broad Street. The concert is open to the public free of charge.

D.S.A.'s HONOR CHANCELLOR BOYER, SENATOR STAFFORD

Distinguished Service Awards, the highest honor that can be bestowed by the Plattsburgh College Council, will be presented to State University Chancellor Ernest L. Boyer and State Senator Ronald B. Stafford at commencement exercises May 19.

Dr. Boyer, Chancellor of the State University since 1970, will be honored for "his educational statesmanship, state and national, and his achievements for the benefit of people of all ages." Dr. Boyer will deliver this year's commencement address.

Senator Stafford, a North Country native, member of the State Senate since 1965 and Chairman of the Senate's Standing Committee on Higher Education, will be cited for "distinguished performance as a person and as a public official and his unswerving

devotion to the general welfare of all people of the region and the State as well as to the advancement of this College and all other public and private institutions of higher education in the Empire State."

COUNTY BAR ASSOCIATION LAUDS PRESIDENT ANGELL

The Clinton County Bar Association will present its 1974 Liberty Bell Award to College President George W. Angell Saturday evening during ceremonies at the Plattsburgh Air Force Base Officers Club. The award is given annually in recognition of community service exemplifying good citizenship and respect for government by law.

FACULTY SENATE COMMENDS PRESIDENT ANGELL, DR. DONAHO; REVIEWS PROPOSED BYLAW CHANGES

At its regular meeting Tuesday, the Faculty Senate passed resolutions in tribute to President Angell and in commendation of Dr. Melvin Donaho. The Senate also reviewed proposed amendments to the Faculty Bylaws. The proposed amendments, dealing with the roles of faculty affairs committees, will be presented at a general faculty meeting in the fall and will be voted upon by the entire faculty.

The Senate's resolution in tribute to President Angell expresses "its profound appreciation for his many years of dedicated service to this institution," and recognizes Dr. Angell's contributions in leading the College's growth; fostering the reputation of its international programs; inspiring instructional and curricular innovations; encouraging recruitment of able scholars, teachers and researchers; guiding it through the unrest of the '60's; strengthening the institution's capacity for self-governance. During his twenty years as President of Plattsburgh State, said the resolution, Dr. Angell "Revealed the serenity of spirit based on a belief in the brotherhood of man and the dignity and decency of human beings."

Dr. Donaho was commended for his outstanding performance on behalf of the Faculty Senate during several years in which he has served terms as parliamentarian, secretary and chairman. The resolution cites his vigorous support of faculty involvement in College governance, his unstinting devotion of time and energy, and his high standards of leadership.

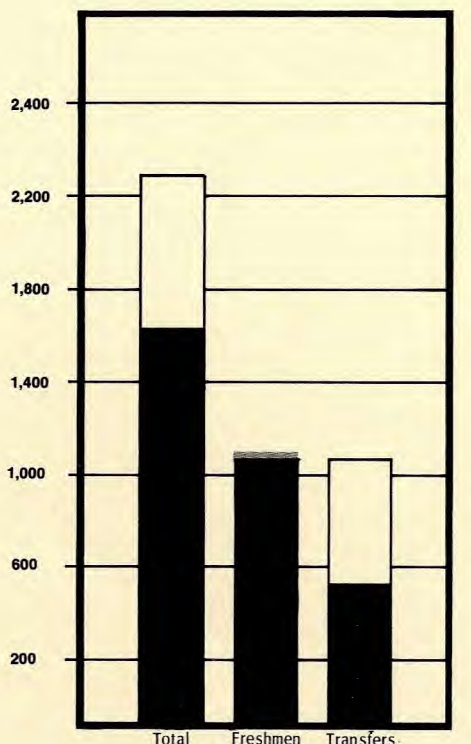

ADMISSIONS DEPOSITS TOP 1,600

As of Monday, the Admissions Office had received \$50 deposits from a total of 1,630 prospective new students. Included in the total of students who paid deposits are 1,121 prospective freshmen and 509 prospective transfers and readmits. The College has set a goal of enrolling 1,110 new freshmen and 1,100 new transfers and readmits in September. Admissions Director David Truax explains that if it appears the College will be unable to enroll its goal of transfers and readmits, he will strive to counter the deficit by enrolling additional freshmen.

An estimated 800 prospective students and their parents attended last Saturday's campus open house.

GOLF TEAM REPEATS AS NAIA DISTRICT CHAMPION

Plattsburgh State's varsity golf team has won its fifth NAIA District 31 Championship in six years. The team, now 5-0 for the season, won the district championship in competition at Rutgers. Mike O'Connor eagled the 18th hole in championship play for a round of par 72 and medalist honors. The team has earned invitations to the NAIA National Championships in Aberdeen, S.D., and to the Tournament of Champions in Key Biscayne, Fla.

The varsity tennis team finished the season 11-8 in dual meet competition for its first dual meet winning season since 1969 and its most wins ever in a dual meet season. The Cardinals will be represented at the NAIA District Tennis Championships at Monmouth College by singles players Pat LaHaise and Marty Silver, and by the doubles team of Mike Payne and Paul Trella.

The varsity baseball team plays its final home contests of the season this week in games against Oneonta Saturday beginning at 1:00 (a double-header) and against Middlebury Wednesday beginning at 3:00.

PARDON OUR MALE CHAUVINISM

A previously undetected case of male chauvinism was manifested in last week's edition when, under the press of a deadline, the author inadvertently stated that "only College personnel and their **wives**" were invited to attend a May 17 Evening With George Angell. College personnel and their **spouses** are invited to the event, and last minute reservations will be accepted until noon Friday by Romuald Lesage in Room 213 of Hudson Hall.

LIBRARY LECTURE/DEMONSTRATIONS SCHEDULED TUESDAY

The September goals for new student enrollment (reflected in the graph to the left) are 1,110 freshmen and 1,100 transfers and readmits, or a total of 2,210 new students.

PRESIDENTIAL SEARCH NARROWED TO THREE FINALISTS

The committee reviewing applications for the Plattsburgh State Presidency has narrowed its search to three finalists. At a meeting Friday it was decided the committee would appoint a visitation team to travel to the campuses of the three finalists and meet with persons who have regular working contact with the candidates. Persons wishing to provide input to the visitation team are invited to contact College Council and Search Committee Chairman Dr. E. Yale Clarke, or College Secretary Mrs. Olive Bradley. The campus visits will be conducted within the next week.

S.A. FOUNDATION WEEK PROCEEDS TOTAL MORE THAN \$2,000

Student Senate representatives have presented Plattsburgh College Foundation President Fred P. Merrihew with a check for \$2,271.22 to be used in financing scholarships and grants for undergraduates. The donation represents the proceeds from a Foundation Week sponsored by the S.A. in March for the three-fold purposes of raising scholarship money, educating people about the Foundation and its programs, and entertaining the student body. The most recent donation brings to more than \$14,000 the amount contributed by the S.A. to the Foundation for undergraduate scholarships during the past three years.

COLLEGE AFFIRMATIVE ACTION PLAN EARNS FAVORABLE EARLY REVIEW

The College's plan for affirmative action and equal employment opportunity has been tentatively accepted by the State University's Central Office and has been reviewed by representatives of the United States Office of Civil Rights. Plattsburgh State was one of the first colleges in the University to have its program for employment of women and minority group persons reviewed by the Office of Civil Rights.

During Human Rights Week in March, an affirmative action team from the College attended the first in a final series of workshops on affirmative action plans being sponsored by the State University. Eventually, all 28 State-operated campuses in the University will send representatives to the workshops and will then file their completed affirmative action plans with the Office of Civil Rights.

Each campus has sixty days from the date of its workshop to complete its plan for federal compliance review. The federal compliance review is conducted on campus and is required prior to formal acceptance of the campus affirmative action plan.

Once all of the plans have been filed and accepted, State University will be the first multi-campus system in the nation to have established sanctioned affirmative action plans University-wide and on individual campuses.

College President George Angell has expressed his appreciation for the high level of support that has been given the affirmative action program, campus-wide. In the future, copies of the finalized Plattsburgh Affirmative Action Plan will be distributed throughout the campus for study and support.

ART DEPARTMENT OFFERS TWO NEW COURSES

Two newly developed courses in art will be offered on campus next fall. **The Artist and His Times**, an introductory course particularly for non-art majors, will study four or five major artists from the Renaissance to the twentieth century as case studies indicating the essential characteristics of art and the role the artist plays in society. The course will cover the relation of art to propaganda, social protest, religion and popular culture, and will include the use of slides, video tapes, documentaries, and feature films such as "The Agony and the Ecstasy." **Women in Art** will study the role of women as subjects, patrons and artists, examining the images of women in Western Art from the Renaissance to the present, and focusing especially on women artists in Europe and America during the nineteenth and twentieth century.

SUMMER TENNIS COURT POLICY ANNOUNCED

A new policy governing use of College tennis courts will begin Monday (May 20), and provides for free public access to eighteen outdoor courts, three reserved courts for faculty and staff play, and the availability of indoor courts during inclement weather. The three courts to the rear of Hawkins Hall will be locked and reserved for use by faculty and staff members. Keys to the courts may be obtained from the Office of Safety and Security in the Service Building. Faculty are requested to ensure that the gate to the courts remains locked, and to assist in supervision of the courts. Until May 31, the Hawkins Hall courts have been assigned for use by local schools from noon until 6:00 p.m. daily.

The College's other outdoor tennis courts will be opened for use by the general public daily from 7:00 a.m. until dusk. Student attendants will monitor use of the courts to guarantee proper and equitable use.

During periods of inclement weather, the tennis courts in the College Field House will be available at a fee of \$4.00 per hour per court.

SUMMER THEATRE SEASON OPENS JULY 4

The Plattsburgh Summer Theatre Season will open July 4 and include productions of five plays plus a traditional Repertory Week performance of all the plays on the bill. Included in the playbill will be Neil Simon's *Barefoot in the Park*, Lucienne Fletcher's *Nightwatch*, Robert Anderson's *You Know I Can't Hear You When the Water's Running*, Bernard Shaw's *Pygmalion* and either *Two for the Seesaw* by William Gibson or *The Tiger and the Typist* by Murray Schisgal.

Season tickets are available at a twenty per cent discount. Further information about performances or season tickets is available from Dr. Daniel Watermeier at 564-2284.

O'CONNOR AND WARD EYED FOR N.C.A.A. NATIONAL BIDS

Varsity golfers Mike O'Connor and Chip Ward are being considered for bids to the NCAA National Championship Golf Tournament scheduled at the University of South Florida beginning June 10. Both golfers competed in the National Championship event last spring in Riverside, California. O'Connor, a junior, is averaging 74.66 strokes per match as leading Cardinal scorer.

The varsity team will travel to Key Biscayne, Florida, next week for the Tournament of Intercollegiate Champions, and will be in Aberdeen, S.D., for the NAIA National Championships June 3-6. The Cardinals finished nineteenth among the thirty-four teams who competed in last year's NAIA national tourney, and Coach Joe Jastrab rates this year's squad stronger than the 1973 edition.
